Dear Erika:

It gives me great pleasure to inform you that the College of Education will award you a scholarship in the amount of \$1,500 during your 2009-10 internship year contingent upon your internship placement in the Chicago Public Schools. Obviously, you must be accepted by CPS, and meet all of the requirements to progress to the internship prior to Fall, 2009. One half of the scholarship will be applied to your MSU account to offset tuition during the fall semester (2009) and the other half will be awarded for the second semester (spring, 2010) assuming you remain in good academic standing and are completing the requirements for the internship in that urban school district.

We are pleased with your commitment to working in urban schools and with your willingness to participate in this program in Chicago. We want you to know that we value your pioneering spirit by agreeing to participate in this out of state internship. We look forward to learning of your experiences, and hope that you will find this year a valuable opportunity to earn yourself a teaching position in that district the following year. We are also pleased with your academic success to date and wish you the very best as you complete your teacher certification program.

If you accept the terms of this scholarship, please contact Rosa Soliz, my secretary, at 355-1787 or [soliz@msu.edu](mailto:soliz@msu.edu) by April 15th.

Sincerely,

Cassandra Book, Ph.D.
