### To Whom It May Concern:

Writing a letter of recommendation for Erika Johnson is a bittersweet task. As a former teacher and principal myself, I have a good idea of what is involved in being a successful teacher. Erika has exemplified the characteristics necessary for success in her year with us, and I find it a bit hard to recommend her to you, knowing that we will be losing her!

The first thing I noticed about her was her megawatt smile! Her positive attitude, kindness, and can-do spirit coaxed even our most reluctant learner into doing his best this summer. She has shown a willingness to learn, thus always expanding her professional skills, she consistently goes above and beyond expectations, and has an ability to get along well with students, staff, and parents.

People that know Erika are drawn to her enthusiasm and energy. She enjoys life, and it is obvious that she is living life to the fullest! I fully support her decision to pursue a teaching position abroad, and I recommend her heartily for your program. Her students and coworkers will be fortunate, indeed, and my only hesitation is that we will miss her terribly!

If I may be of further assistance, please do not hesitate to contact me further. I can be reached by phone at 630-842-3206.

Best regards,

Terri Hubbard  
Owner/Director  
E.nopi Math and Reading Center
